The International Rescue Committee (IRC) in Salt Lake City invites you to sponsor our annual family-style dinner,

Breaking Bread

The International Rescue Committee (IRC) invites you to become a sponsor of **Breaking Bread**, a fundraising event to welcome refugees to Salt Lake City. In the spirit of Thanksgiving, join us for an evening focused on the family table—where food bridges all barriers, friendships arise from shared experiences, and where refugee families become part of the community.

When?
Wednesday, November 14th, 2018
Dinner from 7-9pm

Where?
This Is The Place Heritage Park*
Salt Lake City

In 2017, **Breaking Bread** attracted nearly 250 community members who joined 75 recently arrived refugees at the family table to enjoy a meal together where food bridged all barriers and friendships arose from shared experiences. We welcomed a wide network of the IRC's donors, volunteers and friends to enjoy a meal alongside refugee families raising nearly $30,000 to support crucial programming for the refugees we serve. The dinner, served family style, featured cuisines from around the world catered by our Spice Kitchen Incubator program entrepreneurs.

By becoming a sponsor, you will have the opportunity to support the work of a leading humanitarian organization dedicated to rebuilding lives around the globe and in the U.S. and to support the refugees we serve in the Salt Lake City area while reaching over 4,500 humanitarians through our event communications. Last year, we received generous support from Wasatch Advisors, JPMorgan Chase & Co., Susan Poulin at Summit Sotheby's International Realty, The LDS Foundation and QuiltBack. Don't miss this opportunity to join us to showcase your brand and stand with refugees in the Beehive State.

The **International Rescue Committee** (IRC) helps people whose lives and livelihoods are shattered by conflict and disaster to survive, recover and regain control of their future. In 1994, the IRC in Salt Lake City opened its doors and has since resettled over 11,500 refugees. The minute these brave individuals step off the plane in Salt Lake City, IRC staff and volunteers are there to help them on the final leg of their journey.

Questions? Contact Jesse Sheets at SaltLakeCity@rescue.org or by phone at 801.883.8457.
**Some details subject to change as the event preparations are finalized.*
