

International Rescue Committee

South Sudan Country Program

Request for information (RFI) for Borehole Drilling and repairs works.

Publish date: May 29th, 2025

Deadline to Respond: June 11th, 2025

Interested Borehole Drilling contractors are strongly advised to read through the entire Request for information document before submitting their responses

Background

The International Rescue Committee, hereinafter referred to as “the IRC”, is a non-profit, humanitarian agency that provides relief, rehabilitation, protection, resettlement services, and advocacy for refugees, displaced persons and victims of oppression and violent conflict.

The IRC has been operating in South Sudan since 1989 to assist in Humanitarian interventions; it is registered and obtained a Certificate of NGO operation from Relief & Rehabilitation Commission (RRS) under serial No: 020. In South Sudan, IRC currently operates in the field sites of; Rumbek, Nyal, Ganyiel, Bentiu, Ajong Thok, Maluakon, Panthou, Koch, Maban and Mayendit. The Country head office is based in Juba and is supported by the following donors: UNHCR, OFDA, DFID, HPF, UNDP, SV, Irish Aid, Europe Aid, SIDA, BPRM, UNICEF, GFFO, SSHF, GAC, BHA and World Bank. The regular sectors in IRC South Sudan are Health, Nutrition, Child Protection, Women Protection & Empowerment, Governance, Protection Mainstreaming, and Economic Recovery & Development.

Request for Information Objective

The objective of the RFI is to prequalify Borehole Drilling and Maintenance contractors who have experience in conducting borehole drilling, fishing of submissile pumps and general bore maintenance in South Sudan. The IRC intends to have a database in place from which further selection will be made depending on the type of work required. The database will be operational for two years, after which the same process can be conducted.

Scope of Work – Technical Requirement/Evaluation Criteria

EVALUATION CRITERIA	DESCRIPTION	WEIGHT (%)
Eligibility	Refers to Company ability to demonstrate that they have: I. Certificate of Registration as a contractor with the South Sudan Government II. Evidence of Paying Tax, where applicable III. Supplier Information form, completed and signed and stamped clearly stating the contact address	PASS Or FALL Pass: proceed to the next evaluation process Fall: Not to proceed with the next evaluation step.
Key Staff Capacity	Key personnel include level of education and number of years served in their profession including but not limited to; Hydrogeologist or geologist, chief driller, assistant driller)	25%
