

Refugee Microbusiness Resiliency Grant

Refugee or Asylee owned microbusinesses are eligible to apply for up to \$5,000 grant funding from the City of Phoenix.

Microbusiness owners, solo practitioners, entrepreneurs, and independent operators are eligible, even when the business is home-based, or its workplace is inside another business, such as a booth rental in a hair salon, or in co-working space.

Grants may be used to cover costs of operations, supplies and materials, or rehiring employees. No repayment is necessary for grants. Grant funds must be used by November 1, 2020.
