Dear Supplier,

The International Rescue Committee is currently soliciting local technology partners and hardware manufacturers to sell or lease tablets or other devices, support connectivity, storage and charging solutions, and assist with technology set-up, training and management in support of our "Pop-Up Bangladesh" educational programs.

If you believe your firm is well-placed to provide these services please contact me as Todd.Veneziano@rescue.org soon as possible for additional detail on our procurement process and next steps.

You will find a detailed Scope of Work and Deliverables in the RFI Packet.

Please let me know if you have any questions or require additional information.

Thank You,

Todd Veneziano
